Dear Parents and Guardians:

I am writing to inform you that a student attending West Hempstead High School will be using a service dog to assist him/her.

The service dog will accompany this student to school and all school-related activities. A service dog is a "working dog" and will be identified as such by a sign displayed prominently on its vest. Service dogs should not be petted or engaged with in any way. We kindly ask that you share this information with your child.

If you have any questions, please contact me or the office of Pupil Personnel Services.

Sincerely,

Dina Reilly
